DEPARTMENT OF THE INTERIOR,  
UNITED STATES INDIAN SERVICE,

BLACKFEET AGENCY,  
BROWNING, MONT.

November 11, 1907

Subject: Transmits census  
roll per request.

The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:-

Referring to your letter, Accounts, of November 2, 1907, advising that the census roll of June 30, 1907, from this agency had not yet been received, I have to transmit the same herewith.

It will be observed that a discrepancy exists in the totals as shown by the roll and that reported August 28, 1907, in "Statistics Accompanying Annual Report, 1907".

This is accounted for from the fact that the "Statistics" report was made up from the 1906 census roll and record of births and deaths for the fiscal year 1907. It is found that the 1906 census roll, showing a total of 2072 is an error, mistakes having been made in the consecutive numbering of the names on the roll.

Very respectfully,

  
Captain U.S.A. Retired,

Indian Agent.

DEPARTMENT OF THE INTERIOR

UNITED STATES INDIAN SERVICE

The Blackfeet Agency,  
Browning, Montana,  
September 28th, 1912.

The Honorable,

Commissioner of Indian Affairs,

Washington, D. C.

Sir:-

I have the honor to enclose herewith Census of the Piegau Indians brought down to June 30th, 1912. This has been delayed owing to being short-handed in the Office, and I have only just finished the work.

The total shown is 2,616 persons, whereas the recapitulation, and statistics shown in my Annual Report for 1912, show the total to be 2,613 persons.

The three additional persons are represented by births reported since the collection of the data for the Annual Report, and of which I had no record at that time. The correct reporting of births and deaths on this Reservation is, and always has been, a difficult matter in that the Piegau Indians seem to dislike to talk about, or record such matters.

Very respectfully,

*Arthur E. [Signature]*  
Supt. and S. D. A.
